

MEA User Guide

● Dashboard

The screenshot shows the homepage of the Muslim Entrepreneur Association (MEA) website. At the top, there's a banner with the text "PASSION LED US HERE" and a "Login Or Register" button. Below the banner, a main heading reads "Helping professionals and entrepreneurs connect, grow and achieve their dreams!" followed by a brief description of the platform's purpose. Three main service sections are highlighted with icons and buttons: "Start a Company or New Career", "Grow Your Startup or Personal Brand", and "Raise Capital". A central graphic illustrates a diverse group of professionals working together. Another section, "Feedback and tools personalized for your growth.", features an illustration of people at a table with laptops and charts. At the bottom, there's a "Latest Blog" section with three posts and a footer navigation menu.

The world's largest muslim startup and professional network

With thousands of members worldwide, MEA is your personal network to help you grow your career, business or startup. We strive to empower our members with all the tools and knowledge to succeed in their careers and see their passions become a reality!

Feedback and tools personalized for your growth.

With powerful collaboration tools, custom feedback and guidance on the next steps for your startup or career path, you'll learn where to focus your efforts and find the strategies you need to execute right at your fingertips.

Designed to help you succeed.

Our mission is to help our members succeed. Whether your next move is starting or initially setting up your company the right way, raising capital or planning your next career move, we are here to help make it happen.

Register for MEA updates

- Showing login page after Click On the Login or Register button.

The image shows a login page with a light gray background and a white central form area. At the top center, the text "Welcome again, Please login." is displayed in a bold, dark font. Below this are two input fields: the first is labeled "Email Id" and the second is labeled "Password", both in a light blue-gray color. Underneath the password field is a "Remember Me" checkbox followed by the text "Remember Me". A large blue button with the word "Login" in white is centered below the checkboxes. To the left of the "Login" button is a link "New user? Register" and to the right is a link "Forgot Your Password?". Below the "Login" button are two more buttons: a gradient orange-to-green button labeled "Login With Google" and a solid blue button labeled "Login With Facebook".

- There are multiple options like login via email and password, Google and Facebook.
- Click on the register link to redirect to the register page.
- Also, click on forgot password to reset your password.

- **Register Page**

Discuss your business ideas here!

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged.

Free Business and Startups Resources & Templates

Any new startup or business has to formulate and map out their goals, competition, financial costs and projections and scalability models. Creating your roadmap and vision plan can assist when attracting new team members/employees or when raising funds from potential investors. Planning and research are key to developing a thorough understanding of the target market, competition, market conditions, and financing opportunities.

Included on this page, you'll find a variety of helpful, free startup business planning templates, like financial analysis templates, marketing research templates, business planning resources, legal templates, and more.

Business Plan's Resources

Business Plan

What Is a Business Plan?

A business plan is a written document that describes in detail how a business—usually a startup—defines its objectives and how it is to go about achieving its goals. A business plan lays out a written roadmap for the firm from marketing, financial, and operational standpoints. Business plans are important documents used to attract investment before a company has established a proven track record.

They are also a good way for companies to keep themselves on target going forward. Although they're especially useful for new businesses, every company should have a business plan. Ideally, the plan is reviewed and updated periodically to see if goals have been met or have changed and evolved. Sometimes, a new business plan is created for an established business that has decided to move in a new direction.

Summary:

1. A business plan is a written document describing a company's core business activities, objectives, and how it plans to achieve its goals.
2. Startup companies use business plans to get off the ground and attract outside investors.
3. Businesses may come up with a lengthier traditional business plan or a shorter lean startup business plan.
4. Good business plans should include an executive summary, products and services, marketing strategy and analysis, financial planning, and a budget.

See template below that you can use for your business or startup
